EDUCATION

İstanbul Beykent University

Sep 2022 – Expected Jun 2026

Bachelor of Science in Computer Engineering

EXPERIENCE

Artiwise - Data Science Intern

Oct 2025 - Mar 2026

Developed preprocessing pipelines using Python (Pandas, NumPy) and optimized NLP model performance through EDA and feature-level refinements for high-quality machine learning training sets.

Bupiliç - IT Intern

June 2025 - Sep 2025

Gained hands-on experience in managing corporate IT infrastructure and ensuring the stability of hardware and software systems. Supported network configurations and optimized internal workflows to enhance overall technical efficiency across departments.

MDP Group - Backend & Integration Intern

Dec 2023 - Feb 2024

Contributed to the development of the MIP middleware platform using C++. Worked on backend logic, focusing on data synchronization workflows and helping design integration points for seamless system communication.

EXTRACURRICULAR EXPERIENCES

Yapay Zeka ve Teknoloji Akademisi

2025 - 2026

Selected as an AI scholar in the Yapay Zeka ve Teknoloji Akademisi, a scholarship program focused on artificial intelligence, with training spanning real-world problem solving, data-driven systems, and technology applications beyond core AI.

Teknofest – Digital Technologies in Industry Category

2024- 2025

Selected as a finalist in Teknofest's Digital Technologies in Industry category with an autonomous robot project for industrial automation. The system combines embedded hardware and AI-driven software to perform perception, navigation, and task execution. I contribute to software architecture and system integration.

YetGen

2023 - 2024

Completed a 12-week program focused on communication, leadership, and digital skills. Took part in a UN Sustainable Development Goals-themed idea marathon with a multidisciplinary team.

SKILLS

Programming Languages and Technologies: C++, C#, Python, HTML, CSS, JavaScript

Tools and Frameworks: Unity, Arduino, LaTeX, Git, Microsoft Office

Languages: English (Advanced) & German (Beginner)
